

Title: Medical Assistant Teaching Position

Description:

We are seeking a qualified and experienced medical assistant to join our faculty as a Medical Assistant Instructor. This is a rewarding opportunity to contribute to the education and development of future medical assistants. The ideal candidate will have a strong background in medical assisting, a passion for teaching, and the ability to effectively communicate complex medical concepts to students.

Responsibilities:

- Deliver high-quality instruction to students pursuing a medical assistant program.
- Develop and implement lesson plans, course materials, and assessments.
- Facilitate engaging classroom discussions and interactive learning experiences.
- Provide individualized support and guidance to students.
- Demonstrate and instruct students on medical procedures and techniques.
- Stay updated with advancements in medical assisting and incorporate relevant industry knowledge into the curriculum.
- Assess student performance, provide feedback, and evaluate their progress.
- Collaborate with faculty members and participate in curriculum development and improvement initiatives.
- Stay current with educational best practices and employ innovative teaching methods.
- Maintain a positive and inclusive learning environment.
- Comply with all Idaho CTE regulations
- Participate in the state Career and Technical Student Organizations
- Adhere to all schools' policies and procedures
- Salary DOE

Qualifications:

- Certified Medical Assistant (CMA) or Registered Medical Assistant (RMA) credential.
 - Or the ability to obtain the Idaho CMA certification.
- Minimum of 3 years of experience working as a medical assistant in a clinical setting.
- Previous teaching or training experience is highly desirable.
- Excellent knowledge of medical procedures, terminology, and clinical practices.
- Strong communication and interpersonal skills.
- Ability to engage and motivate students of diverse backgrounds and learning styles.
- Proficient in instructional technology and computer applications.

- Demonstrated ability to work collaboratively with colleagues.
- A commitment to professional development and staying updated with industry trends.
