You'll be working closely with a small team in a three bay shop, performing preventative maintenance and breakdown repairs on all systems of our vehicles. Our fleet consists of everything from small passenger cars, to medium duty trucks, to full size semi-trucks and all different types of trailers. We are a fast paced cargo delivery company that mainly operates in Washington, Idaho and Montana. As you grow in your abilities, there will be future opportunities for advancements as our company and department continue to grow.

- Base monthly salary will be DOE. Various health insurance options, plus a MONTHLY BONUS will be available after a 90 day probation period.
- Commercial drivers license (CDL), diagnostic & welding skills are all preferred but not required. Applicant MUST pass a pre-employment drug test as well as a DOT health exam.
- We look forward to meeting with you. To apply, please email your resume (no matter how big or small) with professional references to [Kbrainard@hhexpress.net](mailto:Kbrainard@hhexpress.net)
